Cervical Collar

Universal Collar

## Aspen Medical - Vista® Collar

- One size, eliminating the need for sizing methods
- Design allows the practitioner to simply apply the collar and then adjust to the proper height
- Disperses pressure, reducing the possibility of skin breakdown
- Aspen Pads help wick moisture away from the skin

Description	Product No.
Vista Collar Set (1 extra set of pads)	984002
Vista Collar Only	984000

## Vista TS Thoracic Stabilizer

- Multiple adjustment points to ensure a comfortable, effective fit for the majority of patients
- Fully adjustable; only one size required
- Because the TS unit is mounted on the bottom of the collar, skin care and cervical restriction are not compromised for thoracic support
- Metal free, the Vista® TS is MRI compatible and requires no tools to fit or apply

Description	Product No.
TS Thoracic Stabilizer	984500
Upgrade Front Thoracic System	984504
Replacement Pad Set	984520

**Cervical Collar**

- Provides support and comfort ensuring patient compliance
- Effective motion restriction without producing the painful pressure points that lead to skin breakdown and non-compliance
- Three layers of polyethylene combine to produce a support structure that is extremely rigid yet flexible at its edges to conform to each patient’s anatomy
- “Layered” design spreads the load over a large area, producing a true custom fit, documented not to produce pressure in excess of capillary closing pressure, the underlying cause of skin breakdown

- Provides all around support
- Easily formed by hand
- Low profile, light and airy, low heat retention
- Available in Gray

Size	Measurement (a)	Product No.
Infant	2 1/2"	HMC06-G
Child	3"	HMC05-G
Junior	3 1/2"	HMC04-G
Small	4"	HMC03-G
Medium	4 1/2"	HMC02-G
Large	5"	HMC01-G

(a) is the shortest distance under the jaw from the center of the chin to the angle of the mandible

Cervical  
Orthoses

**Truform - Universal Collar**

- Perforated, polyethylene with vinyl covered foam padded edges
  - Hook and loop fastening and adjustment panels
  - Simple and quick hook and loop panel height adjusts 3"-5" in front
- Indications:** Flexion; Hyperextension (whiplash); Injuries; Torticollis; Osteoarthritis

Size	Neck Circumference	Product No.
X-Small	11 1/2"-13 1/2"	0975-XS
Small	13 1/2"-15 1/2"	0975-S
Medium	15 1/2"-17 1/2"	0975-M
Large	17 1/2"-19 1/2"	0975-L
X-Large	19 1/2"-21 1/2"	0975-XL

**Soft Foam Collar**

- Polyurethane foam covered with ribbed tubular knit stockinette
  - Hook and loop fastening
  - Each size available in three front depths:
    - Narrow: 2 1/2"; Average: 3"; Wide: 3 1/2"
- Indications:** Mild cervical lesions; Whenever a reminder against making quick and painful movements is required

**Lerman Non-Invasive Halo**

- Secure cervical stabilization; Color coded buckles ease application
- Donned/doffed in supine position
- Removable anterior plate for emergency CPR; MRI safe

**Indications:** Cervical spine immobilization of stable, non-displaced or minimally displaced fractures

Product No. **A37802**

**S.O.M.I. (Sternal Occipital Mandibular Immobilizer) Brace**

- Immobilize head in practitioner specified position
- Removable chin support
- Easy to fit in supine position; Allows patient to lie flat

**Indications:** C4/5-T3/4 stable fractures; Post operative stabilization
